THE MCKINLEYS

Roots music with a cosmic vibe

ROOTS • BLUEGRASS • HONKY-TONK • COSMIC AMERICAN • THE DEAD

WHO WE ARE

We're an Austin acoustic Americana duo, mandolin & guitar. Mike is a bluegrass veteran on the mandolin. After more than a decade together, the songs we play are like old friends. With hundreds of songs to pull from, we take our cues from the audience and respond: same roots, but no two sets the same. It stays loose and lively, or, as one listener put it, "more energy than two people ought to make."

WHAT WE PLAY

Bluegrass & fiddle tunes, honky-tonk & Bakersfield country, the Americana songbook from Gram Parsons to the Grateful Dead, plus original songs and favorites from John Prine, Townes Van Zandt, and Bob Dylan. All acoustic.
