WHO WE ARE

We're an Austin acoustic Americana duo, mandolin & guitar. Mike is a versatile mandolinist, songwriter and teacher. He's a founding member of the long-running Bay Area band Harmony Grits, past president and lifetime-achievement honoree of the Northern California Bluegrass Society, and the founder and organizer of the Santa Cruz Bluegrass Fair for 27 years. Lisa plays guitar and earned a Berklee College of Music Master Certificate in Songwriting & Guitar in 2016. As one listener put it, we put out "more energy than two people ought to make."

WHAT WE PLAY

Bluegrass & fiddle tunes, honky-tonk & Bakersfield country, the Americana songbook from Gram Parsons to the Grateful Dead, plus original songs and favorites from John Prine, Townes Van Zandt, and Bob Dylan. All acoustic.
